## A SEASON OF HOLIDAY TRADITIONS

Visit Gammelgården Museum this holiday season to experience and taste the traditions of Sweden.

Shop at the **Scandia Christmas Butik** for special holiday gifts, enjoy a traditional Christmas-theme **Coffee Party**, and attend the **candle-lit Luciadagen** program. Take classes to **make a tomte** and **holiday ornaments**.

Make this year a memorable and meaningful one with traditions that you continue...or traditions that you begin.
